Create NCLB Requirements Report

The following link will take you to a page that will you to create your own NCLB requirements report:

http://www.iowaschoolprofiles.com/profilesdist.asp?new=1

Please read the following instructions to help you create your report (Note: You may want to print this page for reference):

From the main page, click up to five schools/school districts, the names of the schools/districts will appear next to the numbers 1-5.

Click the green "Make Chart" button on the left hand side of the screen.

Next, click your choice of "indicators" that are listed on the left. For example, click "Average Daily Attendance Rate". This will create the report for the schools/districts requested.

If you have questions, contact the **School Improvement Consultant** for your school district.
